As a provider of playgrounds, athletic equipment and site furnishings, **Atlantic Coast Playgrounds** meets the outdoor recreation needs of communities in public settings. Its sister company, **Carolina Streetscapes**, works with developers, property managers and government agencies in providing site amenities and street signage for neighborhood and commercial developments.

**Together**, we offer a **seamless process** as a **single source provider** of outdoor furnishings and streetscapes to meet your development needs. Our team of dedicated and skilled professionals works directly with you to design, plan, budget, install and maintain your community furnishings.

And when you are ready to expand, our staff can help you build on your current recreation area. Marked by superior customer care, competitive pricing and a well-serviced warranty, we will be there to address your needs and service our warranty.

**As a single source provider of outdoor furnishings and streetscapes for neighborhood, commercial and community spaces**, our core products include the following:

- Recreational structures- playgrounds, athletic and fitness equipment
- Shades, umbrellas and shelters
- Park furniture
- Custom sign solutions – street, traffic, monument, project and amenity signage
- Residential and commercial mailbox options
- Decorative street, accent and landscape lighting
- Specialty products- fountains, clocks, golf course amenities
- Floating docks, and boat and jet ski lifts

## **Our Philosophy**

We strive to **TREAT** every customer as if they are the only customer we have.

- **Trust**– We do what we say we will do.
- **Relationships**– We treat others well and with respect maintaining the highest level of professionalism and confidentiality.
- **Expertise**– Our team is committed to learning and applying the most current industry standards through skill development, initiative, and innovation.
- **Accountability**– Our actions match our words; honoring what is right before God.
- **Teamwork**– We work together for a common mission and vision, each sharing the burden in getting the job done right.

Our goal is to deliver “Ritz Carlton” level of service to our customers and to do so in an environment that fosters confidence and trust, integrity and open communication. We believe our customers are entitled to not only superior service but also to cost-effective recreational products that do not sacrifice quality for price.
